**Shop • Donate • Volunteer**

Come on in to Frisco Resale with your friends and family and shop for quality merchandise at prices significantly lower than retail. What's even better is that while you are having fun shopping, you are providing help and hope for your neighbors who need it the most!

## A COMMUNITY THAT CARES!

Check out this AMAZING four page article that CoServ featured in Texas Co-op Power Magazine this month, that gets to the heart of what Frisco Family Services and you all do for this community!

Leilani, a single mom and participant in Frisco Family Services' Intensive Self-Sufficiency Program, was surprised with a kitchen, living room and laundry room makeover as a part of the Rent-A-Center Cares program.

*"She has really overcome a lot and now she's a completely different person from when she first walked in," said Priscilla Haros, Bilingual Case Manager for Frisco Family Services. "She's really worked hard to turn her life around and is an inspiration to all of us."*

## SUMMER LUNCH PROGRAM

**Frisco Family Services Summer Lunch Program  
June 5 - July 28**

Did you know that nearly 11% of Frisco ISD students receive free and reduced lunches during the school year?

The Summer Lunch Program ensures that during the summer, school-age children have access to nutritious lunches and snack packs, as well as keep their bodies and minds active by participating in physical activities, summer reading and arts and crafts.

**Thank You to our Annual Meeting Attendees**

Attendees helped make Frisco Family Services Annual Meeting both informative and enjoyable, as everyone brought with them their community spirit and compassionate hearts!

We were pleased to welcome Mayor Jeff Cheney and Former Mayor Maher Maso, who inspired and engaged the audience as they spoke about their personal relationship with Frisco Family Services, and their passion to make an impact and change lives in our Frisco community!

## Welcome Julie Macpherson - Food Pantry Manager

After receiving her masters from SMU, Julie has let her passion for helping others lead her career path, working for various nonprofits, such as in the public sector and for the U.S. Government.

Managing Frisco's only community Food Pantry appeals to Julie as she believes that **“providing proper nourishment is the ultimate way to care for someone else, and makes everything else possible.”**

She is excited to continue her new journey as a part of our caring community, and we could not be more excited to welcome her to the team!
